

STIHL®

Protective Apparel

When it comes to your own personal safety, protective clothing is not something you take chances with. Rest assured that every STIHL safety product - from life saving headgear to a pair of protective gloves has been designed, manufactured and tested to the same stringent standards* that you've come to expect from STIHL.

STIHL protective clothing is a combination of functionality, comfort and practicality. STIHL safety gear has been ergonomically designed to give you freedom of movement and confidence without sacrificing quality. So whatever your needs, from heavy duty professional power equipment to backyard DIY, the STIHL protective apparel range is not only a necessity - it's peace of mind.
